Summary

description	<p>English: F G Larminie, Director from 1987 to 1990. Plate 4. Geoff Larminie was born on 23 June 1929. He graduated in Geology from Trinity College Dublin in 1954 and gained his MA in 1972. He worked as an assistant lecturer in geology at Glasgow university 1954 to 1956 and as lecturer in Sydney 1956 to 1960, before joining BP in 1960. He worked in the Exploration Department all over the world, including Alaska, until 1974. Thereafter, in sequence, he was: in the Scientific Advisory and Information Department; General Manager, first of the Public Affairs and Information Department, then of the Environmental Control Centre; and External Affairs Coordinator, Health, Safety and Environmental Services. He left BP in 1987. He served on NERC Council from 1983 to 1987 and received the OBE in 1971.</p> <p>From: Allen, P M. 2003. A geological survey in transition. British Geological Survey Occasional Publication No. 1. Keyworth:British Geological Survey.</p>

Licencing

{{subst:Custom license marker added by UW}}

Download of 1000 x 1000 pixel images is free for all non-commercial use - all we ask in return is for you to acknowledge BGS when using our images. Click our Terms and Conditions link below for information on acknowledgement text, and to find out about using our images commercially.

Copyright

The images featured on this site unless otherwise indicated are copyright material of the UK Research and Innovation (UKRI), of which the British Geological Survey is a component body. The British Geological Survey encourages the use of its material in promoting geological and environmental sciences. The images may be reproduced free of charge for any non-commercial use in any format or medium provided they are reproduced accurately and not used in a misleading or derogatory context. Where any images on this site are being republished or copied to others, the source of the material must be identified and the copyright status acknowledged. The permission to reproduce UKRI protected material does not extend to any images on this site which are identified as being the copyright of a third party. Authorisation to reproduce such material must be obtained from the copyright holders concerned.

Non-commercial Use

Use of the images downloaded from this site and reproduced digitally or otherwise may only be used for non-commercial purposes, which are:-

- Private study or research for a non-commercial purpose
- Education - for teaching, preparation and examination purposes

When using the images please credit 'British Geological Survey' and include the catalogue reference ('P Number') of the item to allow others to access the original image or document. Non-commercial users of the images from this site are restricted to downloading no more than 30 images, without seeking further permission from enquiries@bgs.ac.uk

Commercial Use

For commercial use of these images for which higher resolution images are available, individual permissions and/or licences arrangements should be agreed by contacting enquiries@bgs.ac.uk Commercial use will include publications in books (including educational books), newspapers, journals, magazines, CDs and DVDs, etc, where a cover charge is applied; broadcasts on TV, film and theatre; and display in trade fairs, galleries, etc. If you are in doubt as to whether your intended use is commercial, please contact enquiries@bgs.ac.uk

Warranty

Use of the images downloaded from this site is at the users own risk. UKRI gives no warranty as to the quality of the images or the medium on which they are provided or their suitability for any use.
