Cooke, I L. 2014. User Guide Total Organic Carbon (TOC) data. *British Geological Survey Internal Report*, OR/14/056.

This report describes the Total Organic Carbon (TOC) point dataset. It contains a brief summary of the methodology and guidance on how the data can be used. The data has been critically assessed and its fitness for purpose determined by BGS Energy specialists.

The purpose of this user guide is to enable those licensing this dataset to have an appreciation of how the data set has been created and therefore better understand the potential applications and limitations that the dataset may have.
